

Hello, I'm Jonathan King from Troop 239 from Augusta. I am 14 years old and a Freshman at Gull Lake High School. My Eagle Project consists of creating a Veterans Memorial to commemorate all of the past, present, and future veterans of Ross Township. We will be putting in five flag poles for each branch of the military, a couple benches and a plaque.

This is important to me because there was a man who died from Yorkville over by where I live and he was from the Revolutionary War. He was buried at Yorkville cemetery, and he was commemorated but hardly anybody knew about it. This is why I want to make this Veterans Memorial; Ross Township has never had one and there are many veterans that will appreciate it. If you would like to send funds for this project please drop them off at the Ross Township offices or mail them to Ross Township, 12086 M-89, Richland, MI 49083, attention Eagle Project, they will be greatly appreciated.
