Weekly Project Updates in Ross Township

Ross Township, MI-

In an effort to keep Ross Township citizens informed of the latest traffic and road maintenance operations in the Township by the Road Commission, we have provided the following update for the ***week of September 24, 2018.***

“This information is made available to assist residents in preparing and planning for construction projects in your neighborhoods,” Joanna Johnson, Managing Director of the Road Commission said. ***“Please be patient, alert, slow down, stay informed, and be cautious when approaching a work zone.*** Remember, these projects signify progress in improving our infrastructure and are a valuable investment.”

Please note: This information is subject to change. Projects, road closures and timing can change from day to day, depending upon a number of factors, and traffic delays can develop in a matter of minutes due to weather conditions, emergency situations, etc.
